QUOTING PROCEDURE

Rate pages are not available for this program.

Quoting and issuance of policies will only be available through **modernLINK®**. If you do not have access to our Award Winning website, you may call Customer Care or your General Agent, whichever applies.

In **modernLINK**, an accurate quote will be ensured by entering all of the requested information. After the **ELIGIBLE PROGRAMS** page, you will be asked to verify some information about the applicant before the Insurance Score is ordered. On this page is our disclosure to the insured that credit history as well as other third party reports may be ordered. **You must read this statement to the insured before proceeding.** Below is the text you will see:

In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score. We may also obtain loss history and other consumer reports using a third party. The above information may be used to develop your premium or to determine your eligibility for insurance.

Based on Insurance Score, if the quoted customer is not receiving the best rate, they must receive a Fair Credit Reporting Act notice. This is true even if they do not wish to proceed with the quote. **modernLINK** will print this notice when a quote or application is printed, or can be printed alone. If you are receiving a quote by phone, this notice will be faxed to you to give to the customer. If the customer is not in your office, you will need to mail the notice to that customer. This procedure satisfies the requirements of the Fair Credit Reporting Act.

“Fair condition” means the home is structurally sound with no visible sagging porches or rooflines. A home in fair condition may also need cosmetic repairs such as paint, missing shutters, or other items that may affect the visible condition but does not affect the integrity of the structure.

“Unacceptable condition” includes, but is not limited to, broken or boarded up windows, unrepaired vandalism or damage, sagging porches and roofs, or excessive debris in the yard. For vacant homes, the dwelling must show signs of continued maintenance such as mowed lawns and yards relatively clean of debris.
-
- Vacant (DP-1)**
- Designed for dwellings that are in fair or better condition, which exhibit proper maintenance, and are temporarily VACANT due to one of the following conditions:
 - ◆ Renovation or remodeling
 - ◆ Between tenancy or real estate closings
 - ◆ Dwellings held for sale and on the market
 - ◆ Investment properties

Dwellings vacant more than 12 months must be submitted for approval with 2 photos (front and back) prior to binding. Photos may be emailed to your underwriter directly or to the underwriting mailbox at underwriting@amig.com. If you are a subproducer please email your General Agent. Please include insured's name and quote number on the email.

 - ◆ Special attention must be given to the upkeep of the property and the reason the home remains vacant.

Vacant Manufactured Homes and Vacant Condominiums are eligible for this program.
-
- DP-3**
- Designed to accept individuals who have RENTAL or SEASONAL properties that would normally qualify for coverage through a standard carrier. **OWNER occupied homes are not eligible in the DP-3 program.** All homes must be 80 years of age or newer.

The program may also be used to accept individuals who may have difficulty obtaining homeowner insurance with standard carriers due to unfavorable liability exposures, such as a swimming pool, trampoline, business exposure, or animals.

Risks must be in above average or better condition and reflect responsible ownership in the maintenance and upkeep of the property.

Vacant Home Builder's Risk Renovation Coverage

Builder's Risk Renovation is intended for Vacant Homes that are undergoing major renovations or completion of new construction (home must be fully enclosed). The endorsement will allow you to insure the renovation amount prior to completion. The renovation amount should equal the value of improvements, alterations or repairs to buildings or structures under renovation. When entering the dwelling limit in modernLINK, the limit should include the dwelling value plus the renovation amount. (For example, if the dwelling value is \$60,000 and the renovation amount is \$15,000, then enter \$75,000). A separate question will be asked for the renovation amount as this will be used for underwriting and claims purposes.

The endorsement includes coverage for scaffolding or temporary building constructions. Theft of Building Materials is covered up to a \$5,000 limit. If Premises Liability is purchased, Independent Contractor's liability is excluded.

Upon completion of renovations, the Builder's Risk Coverage must be requested to be removed by the insured.

- ◆ **Examples of when the Builder's Risk Renovation could be endorsed:**
 - Homes that have just been purchased undergoing major renovation.
 - Unfinished newly constructed homes that have been purchased out of foreclosure or bankruptcy prior to the home being 100% complete by the builder. The endorsement would cover the home while undergoing its final construction. The home must be fully enclosed.
