QUOTING PROCEDURE

Rate pages are not available for this program.

Quoting and issuance of policies will only be available through **modernLINK®**. If you do not have access to our Award Winning website, you may call Customer Care or your General Agent, whichever applies.

In **modernLINK**, an accurate quote will be ensured by entering all of the requested information. After the **ELIGIBLE PROGRAMS** page, you will be asked to verify some information about the applicant before the Insurance Score is ordered. On this page is our disclosure to the insured that credit history as well as other third party reports may be ordered. **You must read this statement to the insured before proceeding.** Below is the text you will see:

In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score. We may also obtain loss history and other consumer reports using a third party. The above information may be used to develop your premium or to determine your eligibility for insurance.

Based on Insurance Score, if the quoted customer is not receiving the best rate, they must receive the Fair Credit Reporting Act (FCRA) letter. This is true even if they do not wish to proceed with the quote. **modernLINK** will print this letter when a quote or application is printed, or can be printed alone. If you are receiving a quote by phone, this letter will be faxed to you to give to the customer. If the customer is not in your office, you will need to mail the letter to that customer. This procedure satisfies the requirements of the Fair Credit Reporting Act.
